

Janome + Me

Effortless Technology meets Inspired Design

For years, whether I've been growing my family or growing my business, I've relied on Janome to give my creativity the confidence to flourish. My inspirations lead me on many paths, and I need a sewing machine that can accomplish my visions. Knowing my Janome will always do its job flawlessly means having the freedom to design without limits.

And now my relationship with Janome has become a partnership so that I can share new inspirations with you. We're working together to bring you exciting projects, videos, workshops and more. Join me on this new creative path!

Xoxo, Anna Maria
